

Designed and diagrammed by Peter Farina (2003)

Based on a description of a Dollar Cross originally designed by Jim Churn (19??)

These diagrams are intended for personal use only. They cannot be redistributed or republished in any form without the express written consent of Peter Farina.

1. Fold in half and unfold.

2. Mountain fold at the top edge of the large "ONE" and unfold. Turn over.

3. Fold the top edge down to the crease you just made. Turn over.

4. Pleat on existing creases.

5. Fold the bottom edge up to the edge of the pleat.

6. Mountain fold in half.

7. Mountain fold where indicated and unfold. This crease is the right border of the cross.

8. Mountain fold where indicated. Turn over. This crease is the left border of the cross.
